**NOTES:** We are especially proud of the high level of participation this year. Sixty middle school students trained and took part in this event January 13<sup>th</sup> at Mart! They worked hard with coaches, and were frequently in events that were out of their usual “comfort zones”, but did very well.

Also noteworthy was the excellent behavior shown at the contest site. Mr. Schroeder has commented several times on how well students behaved. They helped others, were respectful and polite, and attended their respective events in a timely manner.

Thirteen coaches/staff/teachers attended and worked tirelessly. They conducted ten contests, graded, served as judges on speaking events, and helped with crowd control and piloting students to specific event classrooms.

All in all, it was a team effort and we’re very proud of our “team”. 😊
