

Bremond Elementary Parent Involvement Policy

Bremond Elementary is dedicated to providing a quality education for every student on our campus. To accomplish this objective, the campus will develop and maintain partnerships with parents/caregivers, patrons, and community members; moreover, the district will involve parents/caregivers in all aspects of the various local, state, and federal programs offered at Bremond Elementary. Our campus believes that establishing and maintaining open lines of communication will expand and enhance learning opportunities and create the best learning environment for every child.

Parent Involvement In Policy Development

The Bremond Elementary Site Based Decision Making Committee (SBDM) is comprised of parents, members of the community, teachers, and the school principal. The committee will discuss the design and implementation of the Parent Involvement Policy.

The SBDM Committee will actively recruit volunteers for the Parent Advisory Council (PAC) through various avenues of publicity including the Student Handbook, the ROAR letter, Family Curriculum Nights and the Parents and Teachers for Education meetings. Volunteers will represent the diverse parent population that will include all student groups serviced by the district. Translators will be provided to help with communication. Meetings will be planned at convenient times and locations for all members of the Parent Advisory Council.
