- 4) Daryl Stuard gave the Superintendent's report. Mr. English and I had Blinn College out this week and we are looking at partnering with them on some career and technology classes. Some of them may take place in the summer but it looks like they are about to expand on things they may be able to help us with. I had a company come out to get me a bid on a gate in front of the dumpsters. I am waiting to hear back from them still. The only other thing I needed to get a quote on was an awning at the elementary drop-off. I also am waiting on a bid to tear down the old concession stand and fencing at the old school and smooth out the road just a little. The service center is working with me to finish the template, which will give us an idea of what we are looking at funding wise for next year. It will be a very rough estimate. 5<sup>th</sup> Six-weeks grades, I did not have a chance to break it down by student like we discussed last time. Summer leadership is before we meet again. I will get all the information you need to you before then. The athletic banquet is tomorrow evening and the academic banquet is Thursday evening. Graduation is a week from Friday, the 25<sup>th</sup>.
