We had a ton of rain this weekend with minimal problems. The tennis courts are coming along nicely. The lights and poles for the fence have been installed. The track has been resurfaced and it looks really good. In your packets you should have the master schedule with numbers per class and the second six-weeks failure reports. CopSync is now installed on just about everyone's computer. Josh has a video that can be used to train everyone. We had the 7th period exam today and we will have an early release on Tuesday and Wednesday. We will not have school on Thursday or Friday. We will have to make up those days in May. The football game will be at 1:00 pm on Thursday. The football team will go down Wednesday night.
